

ASSESSING ITALIAN NUMBERS

NUMBERS 1 – 1,000,000

INCLUDED:

★ TEST 1 - IN ORDER NUMBER TO NAME

This assessment has numbers in order from smallest to largest. This is a good assessment if you're testing how well students know the basics of Italian numbers. This assessment can be done in sections e.g., Numbers 1 to 10 etc..
Numbers in the teens etc...

★ TEST 2 - RANDOM NAMES TO NUMBERS

This assessment has 22 random Italian number names and asks students to write the corresponding number. This assessment is more advanced than the first as it requires students to read any Italian number name and translate it into numbers.

★ TEST 3 - RANDOM NUMBERS TO NAMES

This assessment has 22 random numbers and asks students to write out their Italian names. This assessment is the most advanced as it requires students to be aware of and be able to create any Italian number out of order without a prompt.

★ TEST 4 - LARGE RANDOM NAMES TO NUMBERS

This assessment has 10 random LARGE Italian number names and asks students to write the corresponding number. This assessment has numbers from the hundreds to tens of thousands.
