Interactive Templates or Standard Print

Interactive Templates

Look for the circle shape in the booklet. Glue this shape over the top and then use the split pin for the top circle.

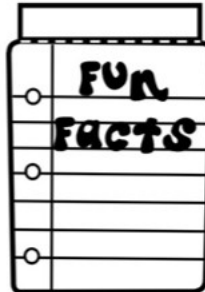

Write in each season's weather

Use a split pin to join these two together.

Look for this rectangle shape in the booklet. Write in the shape and then glue the title over the top (along the dotted top line) so that it can lift up.

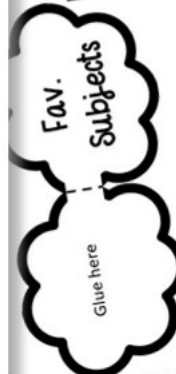

Look for this round rectangle shape in the booklet. Write in the shape and then glue the title over the top (along the dotted top line) so that it can lift up.

Major milestones

Find the rounded edge square in the booklet. Cut out this shape and fold along dotted lines. Glue flaps to make a pocket. Write on the strips below and place them in the pocket (slightly sticking out).

Cut out this shape, fold and then glue over the cloud shape in the booklet. Open like a book.
